Employment Experience

Majux Marketing   Philadelphia, PA
Web Developer   *2018 – Present*
- Led the development and launch of websites notably for Dr. Robin Risler's clinical practice (drrobinrisler.com), for Goodman Properties (goodmanproperties.org), and for The Law Practice of Ken Gauvey (gauveylaw.com)
- Created custom WordPress object to structure property data into interactive, dynamically populated map of properties (goodmanproperties.org/our-properties)
- Set up multi language sites with Spanish equivalent components
- Modified CSV files to be digestible for Google AdWords campaigns
- Integrated user and form data for Association of Cannabis Specialists with Salsa CRM using the Salsa API
- Recreated YouTube video carousel WordPress plugin with the Siema JavaScript carousel library decreasing the page load time by 15% on autoacservice.com
- Created back end form validation for Gravity Forms plugin using Gravity Forms API, action hooks, and RegEx
- Maintained clients' websites by improving site speed, notably increasing Goodman Properties by 50%, and adding/reworking layouts per clients' requests

Freelance   Philadelphia, PA
Web Developer   *2019-Present*
- Created site for renowned pianist Gabrielle Baldocci's London Piano Centre (londonpianocentre.com) with focus on page speed (256KB total page size and 14 requests on homepage, 80% faster than original site)
- Made contact forms with AJAX submission, front end form validation with the validate.js library, and processing with the formsubmit.co API

Telaxus LLC   Cracow, Poland
Web Developer   *2015 - 2017*
- Developed modules in PHP for the Epesi CRM web application
- Revamped Epesi CRM documentation into a Grav CMS site
- Assisted clients with maintaining Epesi on their server
